

## RANGERS ATHLETIC CLUB SPONSORSHIP PROGRAM

The Rangers Athletic Club oversees the operation of an elite hockey program for players residing in the following communities:

Fort Saskatchewan, Andrew, Athabasca, Boyle, Bruderheim, CNN, Fort McMurray, Goodfish Lake, Kikino, Lac La Biche, Lamont, Plamondon, Redwater, Saddle Lake, Smoky Lake, St. Paul, Sturgeon Hockey, Thorhild, Two Hills, Vegreville, Wabasca, Westlock

The vision of the Rangers Athletic Club is: Developing high-character athletes for advancement in hockey and preparing them for future success in their chosen field, their community, and their lives after hockey.

We provide this opportunity to our local and regional players by having elite teams at the following levels: U11AA, U13AA, U15AA, U15AAA, U16AA, U16AAA, U18AA, U18AAA

Some of these players travel throughout the season and others billet in Fort Saskatchewan. The leagues that the Elite teams travel in are larger than those of other leagues, with some of them stretching throughout the province. These teams also participate in high profile tournaments.

As a sponsor of the Rangers Athletic Club, you will be supporting the elite athletes, many of whom will go on to play a higher level of hockey. Your business will be advertised locally, as well as with the teams as they travel throughout the province.

Below are the sponsorship options for the Rangers Athletic Club. Please note that donations or discount may also be considered as sponsorship.
