

FORT SASKATCHEWAN MINOR HOCKEY SPONSORSHIP PROGRAM

Fort Saskatchewan Minor Hockey is home to approximately 650 athletes each season. Our Vision is:

Committed to building life-long athletes through the sport of hockey and to the betterment of our entire community by building life skills in our players, coaches, volunteers, and parents through work-ethic, teamwork, and fun.

This year, Fort Saskatchewan Minor Hockey wishes to re-engage the business community for sponsorship. Our goal is to keep hockey as affordable as possible for our families. This becomes more difficult each year, with the rising costs that we face. Your sponsorship would offset some of these costs, allowing us to keep our registration fees consistent. In return, your business will be promoted throughout the season.
