

Fort Saskatchewan Minor Hockey Underage Player Application Form

Players that are of U9 age or higher who wish to play in a higher age category for the next hockey season **MUST** complete an underage application form and **submit the completed form to the FSMH office by January 15th** along with a non-refundable underage application fee of \$150.00.

- To be eligible, player **MUST** be playing on the top tiered team at their respective age level.
- A panel of three members of the Fort Saskatchewan Minor Hockey Board will each attend a minimum of two hockey games of each applicant to assess the level of impact the player has on the game.
- Player assessed would need to be considered in the top 3 forwards or top 2 defensemen for each game to be considered for underage status.
- Additional information may be required, including letters from the coach of the current season.
- A decision on the application will be provided to the player prior to the completion of the hockey season in which the request was received.
- Approved player is permitted to try out for the category immediately above their age group, but only for the top team in the category for which they are trying out. If the player cannot make the top team in the category for which they are trying out they must return to the evaluations in their appropriate age category.
- Underage players approved at the U9 level or higher **MUST** register for their age category at the time of registration. Underage players approved at the U7 level are to register at the U9 level.
- All underage players approved may register for the applicable conditioning camp for which level they are trying out at.
- For all categories, a player can only be one birth year below the age category they are trying out for. This would be defined as being a second-year player in the category below which they are trying out for.
- For all categories, if the player makes the team, they must pay the registration and rep fees for the higher-level team. In the event the player is sent back to their normal category, they will not be responsible for another tryout fee at the lower level.
- Due to the current lack of goaltenders within FSMH, goaltender underage applications will only be considered on a case-by-case scenario.
