## Canadian Brewhouse Community Hero of the Month - Lennox Megley

Lennox has been supporting the FS305 U9 Rangers by coming on the ice and helping with coaching our developing goalies. Often times with older siblings coming on the ice, they are skating around and treating it like free skate time. Lennox is different. She is actively coaching the kids in their goaltending skills, and takes additional initiative such as when one goalie is facing a drill, she is keeping the other one busy with little skill builders. She wasn't shown to do this, she just did it naturally.

## Bladz Heart and Hustle Award - Jada Pesony

Jada Pesony is a remarkable hockey player whose determination, sportsmanship, and enthusiasm set her apart on the ice. Every game, she approaches her performance with an unwavering commitment, pushing herself to improve and inspire her teammates. Jada's positive attitude is infectious; she celebrates not only her own successes but also those of her opponents, demonstrating true sportsmanship that fosters respect and camaraderie. Her relentless energy and passion for the game shine through in every shift, making her a role model for aspiring athletes. Whether she's executing a flawless play or encouraging her teammates during tough moments, Jada embodies the spirit of the sport, proving that hockey is about more than just winning—it's about heart and character.

## RIVER VALLEY

## River Valley Chrysler Team of the Month - FS404

FS404 is participating in a Season long Food Drive, to help out our Fort Saskatchewan Food Bank. Our players have committed to collecting a minimum of 404lbs - and they are well on their way! I am super proud of the effort these young kiddos are putting in towards our "Hockey Feeds the Hungry" ambitions, and can't wait to see how much more they will collect.
